Trane Ductulator

These books may be purchased at any construction book store or on the internet. (ie. Amazon.com) They are expensive so you do not need to buy all of them at once unless you are beginning the program in the second year.

Please Note: *YOU are responsible for having your own books on the first night of class. (WED. – Sept. 9th, or THUR. – Sept. 10th, 2009) You will also need to bring a pencil/pen and a notebook.*
